FLUSHMOUNTED ALBUMS

Pages are printed using C-Type photographic paper, and then flush mounted onto boards to form 1mm thick pages. The finished block is trimmed to size before placing into your choice of cover design. You can choose our basic book cloth or Leather-like cover, or upgrade to one of our other cover options, including acrylic or Duo Cover designs.

Microfibre Leather: This is a forged leather - processed and pressed to produce a consistent leather texture.

Real Leather: This is a genuine leather hide - distinct grain in each individual cover (hide may contain flaws).

FLUSHMOUNTED PARENT ALBUMS

Only available when purchased with a main album

Produced using your main album designs, each page is printed using photographic paper, and then flush mounted onto boards to form 1mm thick pages. The finished block is then placed into a cover design that will best compliment your main album.

PORTFOLIO ALBUMS

These blank Portfolios are produced ready for you to insert any prints you choose. Insert inkjet prints, standard copy paper sheets, or photographic prints. The special adhesive will allow you to remove and replace unwanted photographic prints without damaging the album. Choose from A4 or A3 in Upright or Horizontal formats, and order your prints with the Portfolio to receive a discount.
