CONSULTATION / FILE HANDLING

If you are unable to prepare files for printing, we are happy to help. Please call our staff to arrange a convenient time for us both, to assist with cropping / converting your files to your requirements.

Retouching Consultation **\$80 per half hour** (minimum charge)

File Handling Consultation **\$33 per half hour** - (minimum charge \$11 for up to 10 minutes)

Booking times available:

Monday to Friday 10am to Midday

Monday to Friday 1pm to 3pm

Some things to consider prior to a consultation . . .

** Staff at the front counter may not always be able to stop and download or prepare files as you wait without prior notice.

** To reduce consultation times, it may be to your benefit to cull your images to the ones required for printing. If you have a holiday of 1200 images, only bring in the ones that you need.

** If you are planning on using store bought frames, work out in advance what sizes are available and what size you think you might want. We can then let you know if your image will work in that frame - eg. what cropping may be required or if the file is too small for the frame size chosen.
